Public Officer to Govt.

Subd.

The post of the Publicity officer to Govt has been substantively vacant since the 22nd January 1949 and admits of permanent arrangements being made against it from that date.

I have been appointed to act as Pub. officer with effect from the 9th November 1948 and as Acting Publicity Officer I am drawing a pay of Rs 300 plus the acting allowance of Rs 120. My total emoluments are therefore far below the minimum pay of the appointment of the Pub. officer. With a view to enable me to draw at least the minimum pay of the appointment, I request that the tenure of my appointment may kindly be changed from Acting to S.P.T., with effect from the date on which the post fell vacant.

Govt 13/5/49. 5. The orders on the linked file are to the effect that the proposals for filling up the post of Publicity Officer rendered vacant by the demise of Sri Rajanatnam would be considered later.

6. While there seems to be no objection from an accounts point of view to change the tenure into "S. P. T.", the arrangement would be somewhat unusual as this is resorted to only when permanent arrangements cannot be made. It is not usual to order an S.P.T. arrangement when the post against which this is made is substantively vacant as in this case. The vacancy of Publicity Officer in Govt. admits of a permanent arrangement, and the question of filling up the post permanently is for consideration.

7. Sri Sathyan has asked for the change in tenure with a view to enabling him to draw the minimum

pay of the appointment, namely, Rs. 600/- against the emoluments amounting to Rs. 420/- which he is able to draw now as Ag. Publicity Officer. If for any reason the proposal to fill up the post of Publicity Officer permanently cannot be taken up immediately and at the same time, it is proposed to concede the request of the Officer for the minimum pay of the appointment, this can be done without any change in tenure, under the special order of Govt. ~~sick proposed~~ - ~~correspondence~~ There is precedent for this in the fact that in the case of a number of appointments in the Revenue, Judicial and certain other Departments, Officiating Officers are entitled to minimum salaries e.g. Asst. Commissioners, Munsiffs, D. S. P. etc. On the same analogy, it may be permissible, as a special case, to allow Sri Sathyan to draw the minimum pay of the appointment of Publicity Officer to Govt.

Art. 72 - M. S. R.

8. This requires financial concurrence and as it is not covered by M. S. R. would be Council matter.

[Confl. reports of the Offices are put up. Those for 1947-48 are put up separately.]

an officer holding a temporary appointment or on deputation, if the temporary appointment or deputation is for six months or more. It is not usual, therefore, usual to make S.P.T. arrangements against ~~appointments~~ which are substantively vacant. So, the request of Sri Sathyan to appoint him as S.P.T. Publicity officer does not appear to be admissible.

10. Sri Satyan has asked for a change in the terms of this appointment from "Ag" to "S.P.T" in order to enable him to draw the minimum pay of the appointment of Publicity officer viz Rs 600/- as against the total emoluments of Rs 420/- he is now getting as Ag. Publicity officer. He may perhaps be allowed to draw the minimum pay of the appointment under special orders of Govt. As it will be outside the M.S.R. it becomes a Council matter and Govt concurrence will be necessary.

41) Art. 65 deals with "Substantive pro tempore" appointment. The two Conditions necessary for making such an appointment are:

Plus his own substantive pay, the two together not to exceed the minimum of the acting post. This total in the case on hand will not be even equal to the minimum; hence the request for being made s.p.t.

If it could be made when the officer having a lien on the appointment is on deputation or holding another appointment,
